

Anglican Catechist Training School  
1300 E. Shaw Ave. #174  
Fresno, CA 93710

Dear Applicant,

Thank you for your interest in applying for the Anglican Catechist Training School. The mission of ACTS is . . .

***The Anglican Catechist Training School equips laity to teach the Christian faith in the Anglican tradition using To Be A Christian: An Anglican Catechism.***

Primarily when we think of catechists, we think of people being called to a teaching ministry in the local congregation. Catechesis goes beyond just teaching doctrine and involves the formation of the whole person into the image of Christ; therefore, those who complete the ACTS program may be called to spiritual direction, pastoral counseling and inner healing, ministering to the poor and infirmed, evangelism and church planting. In addition to deepening one's understanding of the doctrines of the Christian faith, the ACTS Program provides students with opportunities to engage in spiritual practices and regular mentoring with one's clergy, who will provide spiritual direction and apprenticeship in ministry. Teaching "the faith once delivered to the saints" is lacking and is greatly needed in God's church today.

The ultimate aim of ACTS is to equip its graduates to:

- form members of the Church in a more mature and disciplined faith
- equip the Church to evangelize those who do not know Jesus as Lord
- continue to grow in their unique vocation as disciples for the sake of the Kingdom of God

The program incorporates three-dimensions, which all work together to form and prepare the student for the ministry of a Catechist and lay leader:

- Deepening of Biblical and Theological Knowledge
- Spiritual Formation
- Ministry Practicum
