### **St. Paul's Anglican Church**

St. Paul's Anglican Church in Visalia, California is a Christian church in the Anglican tradition and a constituent member of the Anglican Church in North America and the Anglican Diocese of San Joaquin. Our church community was founded in 1887 and we are growing in our faith in bold new ways. A new church campus is expected to be completed in the fall of 2022. St. Paul's believes that the center of our church life is not a building, but is Jesus Christ and we are dedicated to worshipping him and sharing the good news of new life in Jesus to the world around us near and far.
