

Financial Report for February 2017

“As a footnote to the 2016 financial year, the Diocese was blessed with tithes and offerings that exceeded our full budget projection of \$480,000.00. This indicates that the churches in the Diocese were blessed with tithes which in turn allows the Diocese to increase its’ tithe contribution to the Province. The Lord provides for his faithful servants and we continue to mightily blessed in the Diocese of San Joaquin as we seek to do His will. Expenditures for January were in excess (9.6%) of the expected 8.3% rate, but income was 18.4%.” ~Mr. David Francis, Diocesan Treasurer
