

Financial Report for August 2017

“The expected budget percentage is 66.7%. To date, the income percentage for the diocese is 98.5% and the expenditure percentage is 76.7%. As has been the case for essentially the entire year, tithe revenue to the diocese has far exceeded past year experience. Along with the ending balance from the 2016 year, the proposed budget for 2018 appears to be an appropriate expectation.” ~ David Francis, Diocesan Treasurer
