Dear Clergy and Delegates of Convention:

Enclosed is the Notice of Convention for this year's annual Convention on Friday, November 6, 2020. This year's Convention will be a one-day event. As soon as possible we will send a draft agenda so that you can see a rough outline of how the day will progress.

All Convention related material will be sent via email, and will also be made available via the "Convention" tab on our website. Clergy can certify their delegates at <https://forms.gle/uicRUmsKRpJgMiWv5>

Please note that, like last year, certification and registration are two separate things; certification tells us who is permitted to attend and represent their congregation, while registration tells us who is in fact attending the event. In the next several weeks we will be finalizing some details for the registration. We will be sending out that information as soon as practicable.

As always, please let us know if you have any questions leading up to November 6.

In Christ,

The Rev. Fr. Phillip Berghuis

Diocesan Administrator
