

St. _____ is doing all that we can to maintain a safe and healthy place of worship. Please help us and...

1. Pray for those who have been infected by COVID 19 and those serving to care for them.
 2. Please stay at home if you feel sick, have been exposed to COVID 19, or are part of a vulnerable population.
 2. Wear a mask. If you don't have a mask one will be provided to you.
 3. Please use hand sanitizer upon entering the church.
 4. Sit at least 6 feet apart unless sitting with family living in the same home. Family not living in the same home need to sit six feet apart.
 5. Please no sharing of prayer books, hymnals, or passing of the collection plate.
 6. Please no physical contact with anyone while in the service or on the grounds of the church.
